All About

(Picture)

I like to eat...

I don't like to eat...

I am allergic to...

I take medication for...

(And my grown-up has sent it in my bag...)

I don't like to play...

When I have a nap...

When I sleep I have my special...

I really really like to play with...

I am toilet trained/in training/in nappies and when I got to the toilet I might need help with...

I prefer playing by my self/with others/with an adult.

My favourite stories are...

My favourite songs are...

Do you have anything else you would like to share about your child? (feel free to include whether outside agencies are involved, how their sleep is, how their relationships with other family members are or just any concerns/questions you have about their development)
